

# COMPANY PROFILE

WELCOME TO BIGFOX CIVILS

"WE ALWAYS STRIVE FOR HIGHEST QUALITY  
STANDARD IN EVERYTHING WE DO"

## ABOUT US

Bigfox civils began in the cosmo city / Randburg / roodepoort Gauteng area in 2011 when mr Stanley Humbulani Madzivhandila, who had worked in the Civil Engineering, Roads and Earthworks, Building, Residential and Surveying construction business for many years began his own Company.

Bigfox Civils is a Company registered in the state of south Africa. Bigfox Civils is exclusively Managed and owned by 100% Black previously disadvantaged peoples Owned by Mr. Stanley Madzivhandila.

Bigfox Civils is a Small construction company formed from the merger of Civil Engineering, General Construction and Land Surveying Contractors. For the last 8 years the Company grew slowly, working Mostly on small scale Civil, Construction, Land Surveying And Residential projects while gaining a reputation for quality services and reliability.

In 2015 the original company was merged with another small scale local company. The company began to bid successfully for larger scale projects.

All our key staffs are well specialised in civils, Land Surveying, Roads, Water pipeline installation, Drainage and Sewerage, Earthworks and based on the latest equipment and technology in the market, Under the supervision and well organized management.

Bigfox civils has the capability in almost all the discipline of the construction and surveys. Our goal begins with commitment. This commitment is yet crucial in the overall success of the projects. It contains the completion of our projects on time and on budget, with quality as the utmost concern.

## VISION

To be respectable and Leading Civil Engineering, Construction and Land Surveying Contractors in South Africa and Always delivering beyond expectation.

To procure projects at competitive pricing, provide safe working conditions and deliver quality work within time frame.

## MISSION

Our mission is to build a strong relationship of trust with our clients that last forever and to assure their satisfaction is being always achieved through continues development of our management strategies, overall supervision of our projects from Surveying to implementation, quick responsiveness to requirements, and constantly choosing innovative ideas and creative methods in handling our projects. Projects completed on budget, on time and meeting all Quality and safety requirements.

Bigfox Civils contractors plans to:

- To expand our operational and services offering to cater to a wide spectrum of construction and Surveys needs in both the public and private sector.
- Exceeding our clients expectations through our passion for quality, our quest for innovation and our commitment to deliver.
- Significantly expand into the commercial, roads, earthworks and building contracting market to improve profit margins and increase local share.
- Expand services and decrease costs by creating a permanent bridges and roads crew, as well as adding a bookkeeper and an accountant to our staff.
- Begin to market and offer services in the Johannesburg area in preparation for opening an office there in few years.

## KEYS TO SUCCESS

The local Civil, Construction and Land Surveying market is booming at the moment. In order to achieve a defendable position in this environment, Bigfox civils will concentrate on the following tasks.

- To provide our clients with the highest level of quality construction, Surveys services at fair and competitive prices.
- We always strive for highest quality standard in whatever we do.
- Expand our customer base through expansion into other geographic areas to retain a sufficient level of profitability.
- Increase marketing expenditure by 15%
